

## Registration Fee Schedule – Effective July 2008

Spokane Regional Clean Air Agency's Regulation I, Article X, Section 10.06

Registration Fee Categories	Fees	Fee Applicability
Facility Fee <sup>A</sup>	\$175	Per Source
Emissions Fee <sup>B</sup>	\$50	Per Ton
Emission Point Fee <sup>C</sup>	\$55	Per Stack/Point
Incinerator Fee <sup>D</sup>	\$200	Per Source
Synthetic Minor Fee <sup>E</sup>	\$850	Per Source
WEDS Fee <sup>F</sup>	\$65	Per Hour

<sup>A</sup> Each source is subject to the fee listed.

<sup>B</sup> The additional fee listed applies to each ton (rounded to the nearest one-tenth of a ton) of each criteria and toxic air pollutant emitted.

<sup>C</sup> The additional fee applies to each stack and other emission points. For gasoline stations, each gasoline tank vent is an emission point.

<sup>D</sup> The additional fee listed applies to each source which operated at least one incinerator during the registration period.

<sup>E</sup> The additional fee listed applies to each Synthetic Minor source as defined in SRCAA Regulation I, Article I, Section 1.04

<sup>F</sup> The additional fee listed applies to each source required by the Agency to submit an annual emissions inventory for entry into the Washington Emission Data System (WEDS). SRCAA staff time spent processing and reviewing WEDS will be tracked in 15 minute increments and charged at the hourly rates provided above.
