

- B. The opacity of an air contaminant shall be measured at the point of its emission, except when the point of emission cannot be readily observed, it may be measured at an observable point on the plume nearest the point of emission.
- C. Visible emissions shall be determined by using Ecology Test Method 9A.
- D. The emission limits of this section shall apply to each emission point regardless of the number of emissions units connected to a common stack.

### **SECTION 6.03 INCINERATOR BURNING AND INCINERATION HOURS**

- A. The Authority, implements and enforces WAC 173-400-050, in Spokane County in addition to Parts B through E of this Section. The more stringent requirement in WAC 173-400-050 or Section 6.03 supersedes the lesser.
- B. It shall be unlawful for any person to burn any combustible refuse in any incinerator within the jurisdiction of this Authority except in an approved multiple-chambered incinerator or in equipment found by the Control Officer in advance of such use to be equally effective for the purpose of air pollution control. The Control Officer may require the installation of additional control apparatus on an incinerator of approved design, if he finds that it is not effectively controlling air pollution emissions or is the cause of legitimate complaints.
- C. It shall be unlawful for any person to cause or allow the operation of an incinerator at any time other than daylight hours, except with the approval of the Control Officer.
- D. Approval of the Control Officer for the operation of an incinerator at other than daylight hours may be granted upon the submission of a written request stating:
  - 1. Full name and address of the applicant.
  - 2. Location of the incinerator.
  - 3. A description of the incinerator and its control equipment.
  - 4. Good cause for issuance of such approval.
  - 5. The hours, other than daylight hours, during which the applicant seeks to operate the equipment.
  - 6. The length of time for which the exception is sought.
- E. No one shall install or operate an "Air Curtain Incinerator" or "Wigwam Burner" within the Authority's jurisdiction.
